A high-contrast, black and white illustration of a cowboy on a horse. The cowboy is wearing a wide-brimmed hat and a long coat, and is holding a lasso. The horse is galloping to the right. The illustration is done in a sketchy, expressive style with heavy black lines and cross-hatching for shading.

FOREWORD . . .

PROBABLY the Horned Frog's purpose will always be the same: we look to it for a permanent record of our year's activities on the campus. However, in the theme we can offer variety. This year's theme, the Southwest, was chosen because it adequately symbolizes our Alma Mater in locality, courses and activities. The entire book is built around this theme in cover, color and print.

We convey our appreciation to all those who have helped make this book possible in this year of scarcity.

Your staff hopes this theme and the manner of presenting it will keep memories of your activities ever present.

THE EDITOR.

DEDICATION

The 1943 Horned Frog is dedicated to the spirit of the Southwest inherent in the work and lives of two of Texas Christian University's ablest professors.

One, Dr. Rebecca W. Smith, is a Tennessean who early in her life captured imaginatively the flavor of the Southwest.

The other, Dr. William J. Hammond is proudly conscious of the significance of the heritage of his native Texas.

We cannot brand them or corral them as our own, as we desire to do, for they have roamed the range freely for too many years; we can only boast that our property has been their pasturage.

PRESIDENT M. E. SADLER

The 1942-43 school year completes the second year of our University's life under the capable leadership of its new president, Dr. M. E. Sadler.

When Dr. Sadler accepted the position of president of this University in September, 1941, he returned once again to his greatest interest, education.

Dr. Sadler attended Atlantic Christian College in his home state, North Carolina, and received his Bachelor of Arts degree from that institution in 1919. While there he was acknowledged as the highest-ranking graduate.

Later he received degrees from Vanderbilt and Yale Universities. At Yale he won the Henry Allis scholarship award and was granted a Sterling fellowship, one of the highest academic awards given by Yale.

He did educational research in Japan for the Rockefeller Institute of Social and Religious Research. His findings were later published in a volume of Harpers entitled "Japan."

Dr. Sadler continued his educational endeavors at Lynchburg College in Virginia where he served as dean until 1936. He was director of leadership education of Christian Churches of Virginia, Maryland, Delaware and the District of Columbia for five years. For two years he directed the same program for all Christian Churches in the United States and Canada.

The first year at his new post at T. C. U. he wisely spent in familiarizing himself with conditions on the Hill. His "enrichment program" promises a fruitful future for T. C. U., the first visible sign being the new girls' dormitory, Foster Hall.

The 1942 Horned Frog was dedicated to Dr. Sadler for the ability shown in directing our University's educational activities. The 1943 Horned Frog wishes to reaffirm our confidence and faith in his ability as our leader.

OUR PRESIDENT IN A FAMILIAR POSE

DEAN COLBY D. HALL

In recognition of Dean Hall's many services and long years of work in the interest of T. C. U., the University this spring paid tribute to him. In relieving him of his post as Dean of the University, another duty has been assigned him: Dean of Brite College of the Bible.

Dean Hall, always a scholar and Christian gentleman, still finds time for lighter moments when he likes to putter in his garden, listen to the radio, attend movies or mixup some of his successful waffles without the aid of any ready-mixed batter.

Dean Hall's personal influence will always be felt on the campus; his wise counsel in times of stress will still be available. T. C. U. honors Dean Hall, a competent and efficient administrator. May his untiring efforts be as fruitful in his new post as in the one he is leaving.

For more than forty years Dean Colby D. Hall has been intimately connected with Texas Christian University. Because of his background and wide experience, he is the person to whom both students and faculty turn with numerous problems.

More than any other man, Dean Hall has seen the continuity of the growth of T. C. U. Merely to say that his services have been invaluable fails to express adequately his true worth to the school with which he has been so closely allied.

L. C. "PETE" WRIGHT

Though duty keeps "Mr. Pete" busy, his interests are not limited to those he performs officially. He manages to play a few games of dominoes with the boys at the shop, spin yarns about those summer fishing trips to students in the halls and play a few rounds of golf.

All in all, activities on and off the record, make "Mr. Pete" a favorite on our campus.

L. C. Wright, or "Mr. Pete" is an example of the all-round T. C. U. man. This year marks his 21st year in the service of his Alma Mater in an official capacity, but his service has a much longer record than that.

He is the only person to serve as captain of the "Fightin' Frogs" for two consecutive years. His position in those years, 1907 to 1909, was tackle. Since then, with the exception of a few years working for an out-of-town bank, he has "tackled" the various tasks that come under the category, "Duties for L. C. W."

The first 10 years included duties that befall an athletic director for that was the post he filled on his return to the University. The last eleven have been spent as Business Manager for the University. He plans and manages football trips, purchases supplies for the University, looks after student accounts and anything else where money is a concern.

PRESIDENT EMERITUS WAITS....

When Dr. Edward McShane Waits resigned as head of our University in 1941, he had completed 25 years of service in that capacity.

"Prexy" Waits, however, didn't resign from serving his University, for at that time he accepted the title and duties of President Emeritus.

Those 25 years beginning in 1916 were filled by many material contributions: the extending of our campus and buildings with added material, increased faculty, larger endowment and others too numerable to mention. However, material contribution were not the only ones added by Dr. Waits' tenure.

The same "spirit" which guided his teachings as a Christian minister helped frame the reputation our University has long held as a friendly school. He also depicts the high seriousness of the institution's goals, the pioneer traditions as expressed on our campus and the humorous yarns that circulate about colorful ex-students.

These may be classified as a few examples of the rich heritage Dr. Waits has left this institution.

Now as our "good-will emissary" Dr. Waits remains with us to present our school to the world as the friendly, Christian institution it is. No better man could exemplify or execute such duties than our "Prexy."

ASSISTANT JAMES MONTGOMERY

A boy who was once captain of the Horned Frog track team and president of the student body has returned to his Alma Mater after 16 years absence to "do something worth while for the school."

He is the Reverend James E. Montgomery and he fills the newly-created administrative position of the University as Assistant to the President.

In order to accept this position he had to resign from his former post as pastor of the First Christian Church in Longview on last September 1. He had been pastor there for the past seven years.

While attending T. C. U. he took a leading role in activities on the campus and also served as president of the Student Honor Council.

As Assistant to the President he helps in the fund-raising phase of our financial program and especially in Dr. Sadler's "living endowment" campaign.

His duties are those of field representative which keeps him off the campus most of the time. This position was given him because of his unusual ability, temperament and outstanding personality.

These qualities have made him an asset in his first year with the University and promise even greater contributions in the future.

Working under the extreme difficulties brought about by war-time uncertainty, the Student Council has, nevertheless, enlarged and improved the scope of its power and service.

Under the capable direction of Student Prexy Dunny Sims, the Student Council has presented to the Student Body a successful dance program, financially and socially. It has promoted through its War Activities Committee, a program of war work,

STUDENT COUNCIL

including the sales of war bonds and stamps, and the raising of money for the T. C. U. Frog War Fund.

Other accomplishments have included the sponsoring of a long to be remembered Homecoming Week, the solicitation of contributions for a Service Flag, the purchase of a nickleodeon, the publishing of The Horned Frog Horn, a book of orientation for Freshmen, and the procurement of new lighting equipment for student dances and stage productions.

This year's Student Council Scholarship was presented to Ernest Allen, Jr., who was immediately called into his country's service; however, he will find the scholarship waiting for him upon his return.

Council Members: Ernest Allen, Jr., Georgia Barnes, Jack Bodard, Horace Busby, Virginia Churchill, June Dameron, Nina John Elliott, Mary Charlotte Faris, Bill Hall, Therylne Knox, David McKee, Marcia Mills, James Moudy, Bill Parish, Ruth Hardy Roberts, Dunny Sims, Derrell Tipps, Mary Louise Waldron and Jack Wilson. Those on the Judiciary Committee are Trotter Adams, Geraldine Browder and Shirley Hall.

The Frogs won seven and lost three games for the season of '42. The Baylor and Texas Tech defeats were close battles that could easily have gone either way. The purple downed the conference champions, Texas, 13 to 7, here in T. C. U. Stadium. They also downed the Pacific Coast representative to the Rose Bowl, U. C. L. A., 7 to 6 and were threatening again as the game ended. Two players, Capt. Bruce Alford and Co.-Capt. Derrell Palmer were all-conference on nearly every team selected and received all-American recognition. The Frogs finished third in the conference and had a highly successful season despite bad breaks and injuries. Coach Dutch Meyer, Hub McQuillan and Frog fans and students had nothing but praise for the 1942 Purple gridiron warriors.

ALL-AMERICAN CAPTAINS

CAPT. BRUCE ALFORD

All-conference end from Waco. A three-year letterman for the Purple. Rated as one of the all-time best ends of the Frogs by Coach Dutch Meyer. Received mention on many all-American teams. Played in the annual North-South game in Montgomery, Ala. President of the "T" Association and "Most Representative" student of the boys physical education department. Well liked, Bruce was a popular player and a fine leader. In Army Air Corps.

CO-CAPT. DERRELL PALMER

All-conference tackle from Albany. A three-year letterman, "Big D" received recognition also as an all-American. A one-man wave of interference on offense. Member of the Marines. Was injured in the middle of the season which slowed him down some in the latter games. Best offensive tackle in the conference. Played in the North-South all-star game during the Christmas holidays. He and Bruce were fine leaders of the '42 team.

T. C. U.—U. C. L. A.

Los Angeles, Calif., Sept. 25—A travel weary Frog team that did not even get to practice on the game site, downed the U. C. L. A. Bruins in their opener 7 to 6.

Trailing 6 to 0 when the Californians scored a touchdown on the last play of the third period, the Horned Frogs took the next kick-off, were penalized to the 1-yard line, and then under the direction of Emery Nix, drove 99 yards in 15 plays to pay dirt.

Longest run of that series was a 38-yarder by Nix. The six points came on a four-yard pass, Nix to Halfback Don Ezell. Sophomore Clifton Patton, attempting his first extra point in varsity competition, split the uprights for the margin of victory.

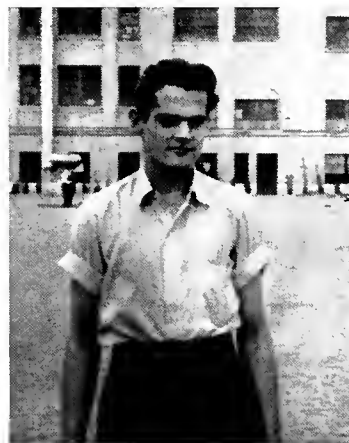

Inspired, the Frogs drove toward another marker only to have the final gun halt activities on the Bruin one-yard line.

Nix, Dean Bagley, Clyde Flowers, End Drummond Slover and Patton proved to be the brightest stars.

T. C. U.—ARKANSAS

Fort Worth, Oct. 3—Minus the services of their coach all week, the Horned Frogs, under the guidance of Assistant Coach Hub McQuillan, downed the Arkansas Razorbacks 13 to 6 in their first home game.

The Frogs gave the impression of being able to score if and when a touchdown was needed to put them ahead. Early in the first quarter the Frogs drove to a score with

HARRY KNOWLES and ROY BLOOM

The unsung heroes of the football squad. Theirs is the task of manager for the gridiron squad. Roy hails from Chicago and has been dubbed "Al Capone" ever since entering T. C. U. He was head manager and is a senior. Harry was assistant manager and freshman manager. He is a freshman and was a favorite of the Class of '46. Left school at mid-year.

Hall boots one from behind the goal into the back of Patton's lap. Arkansas recovered for their only score. Note ball.

Emery Nix carrying over for the first six points. Clifton Patton missed the goal.

Dean Bagley and Nix both engineered the Purple on several marches but the scoring punch was lacking. Late in the third period, the Porkers recovered a punt which was booted into the line behind the T. C. U. goal. James Woodfin then blocked their try for extra point.

With seven minutes to play and the ball on their own 15-yard line, the Frogs, with Nix running and chunking, moved 85 yards in five plays with Capt. Bruce Alford catching the winning pass on the Razorback 22 and carrying over for the tally. Patton's kick was good. They threatened again but the final gun caught them just short of pay dirt.

Don Ezell, Bob McCollum and John Bond played well in the Frog backfield. Alford, Patton, Clyde Flowers and Derrell Palmer were the outstanding linemen.

T. C. U.—KANSAS

Fort Worth, Oct. 10—A breather was furnished the Frogs when the Kansas Jayhawks came to town and the final score was 41 to 6.

Only bright spot for the Kansas team was Ray Evans, passing ace for the Big Six team. He was later named the most valuable back played against by the Frogs.

DON EZELL

Junior from Wink. Lettered at left half, playing his most outstanding game against Texas Tech in his own West Texas stomping grounds. Runs hard in practice as well as in a game. Scored the Frogs' first touchdown of the 1942 season against U. C. L. A. Enlisted in Marines.

BOB MCCOLLUM

Light but rugged and smart fullback of the 1942 team. Elected co-captain of the '43 squad. Knows his football and has been considered as signal caller on several occasions by Coach Dutch Meyer. Plagued with injuries, "Bull" is still a 60-minute man when the occasion calls. "Bull" is from Waco and is a member of the Marines.

EMERY NIX

Great junior passer from Corpus Christi's state championship team. Because of his unusual calmness as a quarterback, he was dubbed "Ice Water" by his teammates. Emery was the leading passer and ground gainer on the Frog squad in 1942. "Ice Water" had to leave school at mid-year in 1942. His passing and running ability made him a valuable man on the 1942 squad.

CHARLES CONWAY

Senior from North Side of Fort Worth. Lettered three years at right half back. Played more minutes in the 1942 season than any other Frog back. One of the most improved players on the Purple team. A shifty runner and a good defensive man. Enlisted in the Navy.

Patton braces for tackle of Arkansas' Jones as Woodfin's hand slips off the ball. McCollum, Hall, make ready for kill.

CLYDE FLOWERS

Junior squadman at the right tackle position last year, "Red" stepped in this season and played more minutes than any other lineman on the team. Clyde has been elected captain of the potential Horned Frog eleven for '43. "Red" played almost half of the Purple's schedule for the entire 60-minute route. A knee injury kept "Big Red" out of competition in '41.

CLIFTON PATTON

Sophomore who was a 60-minute man most of the season even though it was his first year on the varsity. "Pat" played guard as a regular and was the No. 1 place kicker on the squad. "Pat" left at mid-year and was one of the finest physical first-year men on the varsity in many a season.

BILLY BLACKSTONE

The hard luck boy of any Frog football eleven. "Jug" was a three-year letterman at center and a member of the enlisted Marines. A great defensive linebacker, "Jug" was hampered his varsity career with an injured knee. Billy hails from Hearne and is a senior on the campus. "Jug" is the Number 1 politician at T. C. U. Billy was a class favorite of the senior group this year.

Balaban charges after fumble by Evans of Kansas. Evans recovered and was individual star of day. Voted best back by Frogs.

It was Beecher Montgomery's day as he personally scored 13 points—one of these coming on a heads-up play when he scooped up a blocked placement and ran it over for the extra point.

The Frogs scored in every period. Van Hall accounted for the first touchdown six plays after the opening kickoff. Clifton Patton converted.

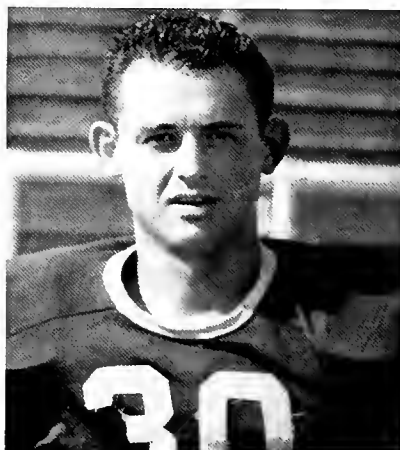

Charlie Conway and Beecher both scored in the second period and J. C. Oneal added both points.

Conway scored again in the third and a pass, Dean Bagley to Billy Hearne, good for 44 yards including Billy's long run, made it five touchdowns. Punk Smith converted. Beecher then made the next seven points to make it 41 to 0. Evans passed to Otto Schnellbacher for the lone score for the Jayhawkers.

All able-bodied Frogs played in the game. Trotter Adams, getting his first chance, punted well.

T. C. U.—A. & M.

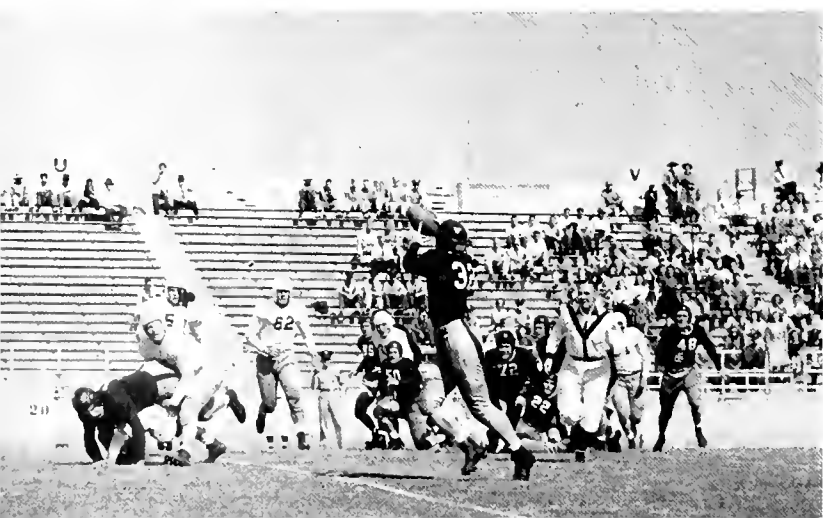

College Station, Oct. 17—Not to be denied, the Frogs downed the Aggies from Texas A. & M. 7 to 2 for conference victory No. 2.

JOE ROGERS

Senior from New London. Placed at fullback the first part of the '42 season, Joe did his best but hoped that he could once more get back in the line. The injury of Arthur Renaud did just that for Joe. Joe ended out the season as regular right guard and played a bang-up game. Joe ended his college career as a three-year letterman. He is a member of the Army Air Corps.

Porter takes a lateral from Bond—going down under a tackle at left—and advances up the field against the Kansas Jayhawks.

TROTTER ADAMS

Senior end from Panhandle. Great pass receiver and did most of the punting for the Frogs. Pitched on the baseball team. Tall, with big hands, Trot could really snag those passes. Good student and a member of the Marines. Good basketball player.

Six Purple players played the entire game. They were Bob McCollum, Van Hall, Derrell Palmer, Clyde Flowers, Clifton Patton and Bruce Alford.

It was an intercepted pass by James Woodfin in the third period with the Frogs trailing 2 to 0 that changed the entire picture. Hall scored four plays later from the 7. Patton converted.

From then on it was all T. C. U. Once a field-goal attempt was blocked on the Aggie 3. The game ended with the Frogs again deep in Cadet territory.

The Aggie two points came in the first period. Bill Henderson knocked the ball out of Charlie Conway's hands during the handling of a double reverse, and Charlie was downed behind the Cadet goal in recovering the fumble.

Again Trotter Adams' punting was a big help to the Frogs. He had a 38-yard average with several punts being short out-of-bounds placements.

T. C. U.—PENSACOLA

Pensacola, Fla., Oct. 14—The Frogs journeyed to Florida for victory No. 5. Victim was the Pensacola Naval eleven. The score was 21 to 0.

Passes scored two of the touchdowns and helped set up the third. On the first offensive play of the game, Emery Nix passed to Ralph Porter for a 53-yard scoring play.

Bagley fields a high punt near his own goal against the Aggies at Kyle Field in College Station. Frogs won 7 to 2.

Hall drives over on a reverse for the only Frog score against the Aggies. Daniels makes the tackle but too late.

DEAN BAGLEY

Senior from San Saba, where he was the leading scorer in high school competition. An elusive runner, especially in punt returning, shifty punt returner and fine short passer were the "Little Man's" accomplishments. A senior, Dean is enlisted in the Marine Corps. "Shorty" will be best remembered for his great run to victory against the Texas Longhorns in 1941.

VAN HALL

Junior from Kaufman. Two-year letterman at left half. Hard runner and a tough player. Played several 60-minute games during the season. Enlisted in the Marines. Class favorite. Missed 1943 spring training due to a broken foot received in intramural basketball. Second best to his home town steady, Gerlyne Schmidt.

JOHN BOND

Junior from McLean weighing 215 pounds. Two-year letterman at fullback and right half. Called "Big Jawn" by his teammates. Married this Christmas. Member of the Marines. John is a powerful runner and was used toward the end of the season as tailback in a single wing formation.

JAMES WOODFIN

Junior center from Crane. "Baldy" is a fine pass defense man. A hater of week-day practice sessions, James really goes to work in a pressure game. Rated as one of the most reliable Frogs in 1941, James, the "Grand Old Man of Football," was always dependable to play his share at center the next year. All James needed to be all-Conference was a good ram in the back of his lap.

RALPH PORTER

Sophomore from Houston. Letterman at fullback his first year with the varsity. Used in Coach Dutch Meyer's single wing backfield formed for a scoring punch inside the 10-yard line. Good passer and fine line bucker, Ralph will be a strong factor in next year's team if the service sees fit. "Toad" is a member of the Army Reserves.

MIKE HARTER

Senior right guard from Arlington Heights of Fort Worth. Playing every game in 1941, Mike received injuries in '42 that kept him from equalling that same record in the past football season. A brainy and fast charging guard, Mike proved valuable his full three years as a varsity player for the Frogs. He is enlisted in the Marines and a geology major. He and his mother are both movie photography fans.

Rogers pulls out from guard to lead interference for Nix on a weak-side reverse against the Baylor Bears in first quarter.

A 60-yard march was climaxed with a pass, Nix to Drummond Slover, in the end zone. Clifton Patton added both extra points. Another march died on the Navy 2.

After the half intermission, the Frogs scored again. Nix passed to Bruce Alford and then a penalty put the ball on the Goslins' 1. Nix carried over and J. C. Oneal added the extra point.

Dean Bagley got off two 34-yard runs—one on a punt return and one on an intercepted pass.

T. C. U.—BAYLOR

Fort Worth, Oct. 31—That Baylor jinx held, and the Frogs lost their first game of the season to the Bears 10 to 7.

The jinx started the Tuesday before the game. Derrell Palmer was injured and was far below par in the game. Later in the week, Bruce Alford hurt his knee and missed the game. Bob McCollum turned up with an infected leg and played little in the game. Three key men out was enough to hurt any team.

The Frogs had the edge in every department but the score. Emery Nix scored in the opening period and Clifton Patton converted.

Kit Kitrell made two long runs—the last for a touchdown—to leave the score 7 to 6 at the half.

DRUMMOND SLOVER

Senior end from Lufkin. Little for an end, "Smokey" makes up for size with fight. Great blocker and tackler. Caught the winning pass for the Frogs in the Texas game. Has lettered all three years with the varsity. Weighed only 158 during the middle of the season. Enlisted in the Marines.

Conway and Slover converge to jar Crain of Baylor with a savage tackle. Porter is coming up to lend assistance if needed.

BEECHER MONTGOMERY

Star of the Texas game. What more need be said? Two touchdowns in the last minutes against the Longhorns in the fourth quarter was the record. Those two scores accounted for the 13-to-7 victory for the Purple. Little but shifty is "Beechnut's" style and he was just that this season. Beecher is a senior from Ozona and enlisted in the Marines.

The play that still has spectators and players wondering came in the fourth quarter. Nix passed to McCollum on the Bear 7 and Bob drove for the goal. Bob Balaban was leading interference and he, Bob and a Baylor man fell at the goal line. Field Judge Bud Price ruled that McCollum's knee hit before he crossed the goal and put the ball on the 1-foot line. The Frogs failed to push it over in three tries.

The winning play was a field goal by Bert Edminson from the Frog 17 in the third period.

Van Hall, Clyde Flowers, Trotter Adams and Patton played 60 minutes for the Purple.

T. C. U.—TEXAS TECH

Lubbock, Nov. 7—Still down after the Baylor loss, an indifferent Frog team came out on the short end of another one in Lubbock the following week 13 to 6 at the hands of Texas Tech.

Don Ezell took a pass from Emery Nix to put the Frogs out front 6 to 0 early in the second quarter.

In the fourth period after the Frogs had shoved the Raiders around the whole game but could not score again,

Don Ezell stretches out to snag a long pass and go over for the only Frog score against Texas Tech. Don was Purple star of the day.

BOB BALABAN

Junior end from Caldwell, Kan. Only out of state man on the team. Bad knee kept "Baly" out of competition last season. Lettered this year at right end. Was star of Frog basketball team that won Gold Medal tournament in Fort Worth. Lettered in 1942 on baseball squad.

DEE EZELL

Junior guard from Wink. A twin of Don, Dee lettered last year at his right guard position. Light for a lineman—178 pounds—Dee was the No. 1 relief man at his position. He disregarded his last year of eligibility when he worked to graduate in August of this year. He improved greatly each year and would have been a fine guard his senior year if he had so elected.

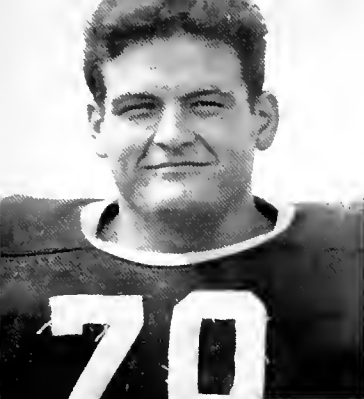

Porter goes down after short line buck against the Tech Red Raiders. Woodfin looks on to see how it is done.

J. C. ONEAL

Sophomore from Anna. A guard, "Chief" lettered his first year with the varsity. He has been playing first string in spring training for the 1943 season and if the war situation will permit will be a regular next year. That is, if "Chief," from the Indian country, can forget those arms and elbows.

JOHN 'PUNK' SMITH

First reserve tackle behind Clyde Flowers. Only a sophomore, "Punk" is an outstanding lineman in relief roles. "Punk" hails from Technical High School of Fort Worth. "Punk" lost from 225 pounds to less than the 195 mark before the season was over. He is a great boxing fan and has been a heavyweight entrant in the Golden Gloves the last several years.

Bagley gets it in the back from Texas' Freeman after a short punt return. Frogs won over the Longhorns 13 to 7 in Fort Worth.

BILLY HEARNE

End from Arlington Heights of Fort Worth. Has more nicknames than any other player on the team. Lettered his first year—1942—with the varsity at left end. Good pass catcher and offensive wingman. A good sport and well liked by all his teammates. Member of the Marines.

BILLY HOUTCHINS

Sophomore guard from Dallas. A halfback on the freshman squad, Billy worked diligently at his new line position on the varsity. Getting a little too energetic in the Pensacola game in the eyes of the officials, "Houtch" failed to letter in 1942. Marrying in January of this year, Billy quit school and became enlisted in the Army Air Corps.

Tech blocked a punt and recovered for a touchdown. That tied the score at 6-6.

A hide-out play—illegal in Southwest Conference competition—proved the winning play. The hide-out caught the pass, lateraled to a lineman when overtaken, and the latter went over for the score.

How the Frogs were beaten does not matter. They just weren't right for that Lubbock encounter.

Don Ezell was the lone Frog star. He fought and battled the entire game before the West Texas crowd.

T. C. U.—TEXAS

Fort Worth, Nov. 14—Again the Frogs did the unbelievable and for the second straight year upset the highly favored Texas Longhorns. This time the score was 13 to 7 and it was Beecher Montgomery who did the trick.

He took part in three offensive plays in the fourth quarter with the Frogs trailing 7 to 0. One was a 36-yard gallop for a touchdown. The other two were a 12-yard pass to Bruce Alford and a 6-yarder to Drummond Slover in the end-zone for another touchdown.

The second touchdown was set up when the Frogs recovered a Texas fumble on the 6.

The first half was a conservative 0-to-0 tie. The second

Bird's eye view of Slover catching winning pass from Montgomery in Texas tilt. "Smokey" is facing camera to right of goal posts.

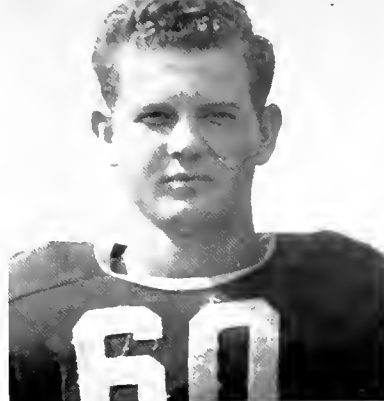

SAM WEATHERFORD

Junior from Paschal of Fort Worth. Lettered at right half. First year as a Frog. Well liked by his teammates even though a comparative newcomer. Good runner and fair punter. Enlisted in the Marines. Great pass receiver.

BOB LOONEY

Junior from Dublin weighing 180 pounds. Squadman for two years. Has played end, fullback and right half back. Member of the Army Air Corps. Left school in February to join Army Air Corps, missing all of the spring training session. Bob was hampered his freshman and sophomore years with a broken and then injured leg. Bob was a great help to the '42 team as he could fill in at any spot during practice sessions.

CLIFTON CAFFEY

Sophomore guard from Colorado City. A guard on the Freshman team. Clifton was moved to end in spring training and then back to guard for the 1942 season. An unfortunate campus occurrence kept Clifton from making several of the early season road trips. Clif is tall for a guard but fast and a hard charger on defense.

BARNEY CARROLL

Sophomore center from Dallas. Barney missed much of his preliminary work due to illness, but managed to earn his letter early in the '42 season. Not fast of foot, Barney is a good linebacker and pass defense man. He is enlisted in the Army.

half was a wild 30 minutes that saw fumbles, pass interceptions and freak plays caused the ball to change hands 10 times in seven minutes.

Alford played one of his greatest games despite his bad knee. Bob Balaban and the entire forward wall played well for the Frogs. And then there was Montgomery!

T. C. U.—RICE

Houston, Nov. 21—Frog hopes for a tie in the conference championship went out the window when the Rice Owls kicked the T. C. U. team around 26 to 0 in Houston.

It was a matter of everything the Owls did turning out right. The Frogs played well but could not make knots when the Owls' goal line came into sight.

Rice was primed for victory and with End Wendell Williams being used some in the backfield, the Owls turned every opportunity into a score. Dick Dwelle made three touchdowns personally.

The Owls led 19 to 0 at the half.

The game might have been different if the Frogs had scored in the first period when they marched to the Owl goal only to have a pass intercepted in the end-zone.

Dean Bagley and Billy Blackstone played the best defensive ball for the Purple.

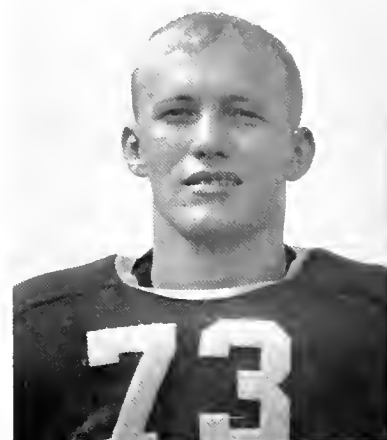

T. C. U.—S. M. U.

Dallas, Nov. 28—T. C. U. 14, S. M. U. 6.

That was the score of the final Frog game and that score was enough to make the Frogs have a successful season and

JOHN WATKINS

Sophomore from Grand Saline. Called "Whitey" by Line Coach Hub McQuillan. Squadman at left tackle. John is fast and weighs 200 pounds. Won his freshman numerals in 1941 as a lineman. He is enlisted in the Marines. John played in only one game the past season but has the ability of being a fine tackle.

JOHN CHIMENTO

Sophomore from Brooklyn, N. Y. Squadman on the 1942 team at fullback and left half. Fine tackler and worker but was not used to the Southwestern style of play. Chemistry major. Wicked pool player.

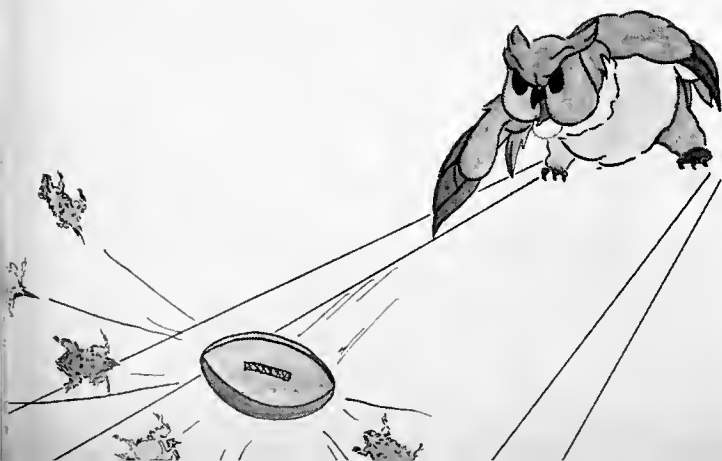

ARTHUR RENAUD

Guard from Arlington Heights of Fort Worth. Fiery and a vicious charger on defense. Arthur proved too aggressive on defense and was injured in a practice session before the first conference game in '43. He helped pull the Frogs over from his hospital bed via the radio waves. He was elected the most popular Wog during his freshman year. Arthur is now enlisted in the Army, and married.

After the Frogs first scoring attempt bogged down, the Owls went on to "bowl" over the Frogs. Had T. C. U. scored first it might have been different.

PAUL ADMIRE

Big, raw-boned end from Keller. Great defensive end as a Wog. Played behind good material in '42. Slowness was his only handicap from being a great wingman. Was shifted to guard in spring training in preparation for the 1943 season. Called "Big Ike" by his teammates. Squadman the past season and a member of the Marines. He is a sophomore on the campus.

DERRELL TIPPIS

Sophomore tackle from Haskell. Derrell is a good scholar student as well as participating in football. A popular boy on the campus, he played right tackle on the varsity. He was a squadman, playing only one game during the season. He is enlisted in the Marines.

EUGENE WILLIFORD

A junior squadman who has been one of the famous Frog "Knee Men" for his entire varsity career. "Willy" was enlisted in the Army on limited duty the first week in March. He lettered as catcher on the Horned Frog baseball team of 1941. Injuries, no doubt, kept "Willy" from taking his place beside the many great pivot men of Frog history. Eugene was a junior.

Capt. Alford snags a touchdown pass for the Frogs' first score against S. M. U. Bruce had a field day in his last game for the Frogs.

finish third in the conference race having beaten the champion—Texas.

Good punting by Trotter Adams and a fumble recovery by Billy Blackstone kept the Frogs at even terms with the Mustangs the first period while the Ponies had a strong south wind at their backs.

The Frogs scored twice in the second quarter. Ralph Porter carried over from the 1 on a single wing thrust. A pass, Emery Nix to Bruce Alford, made it touchdown No. 2. Clifton Patton booted both tries after touchdown.

Able Gonzales—outstanding Mustang back—passed to Hardy Miller for the lone S. M. U. score. Clyde Flowers blocked the try for point.

Five Frogs went out of the game with injuries. Flowers and Patton were standouts in the Purple line and Bruce Alford ended his college career in a blaze of glory. During the game he played both ends on offense and defense, both tackles on defense and one tackle on offense—a total of seven positions. Bob Balaban and Adams played well at ends.

Thus ended the Frogs' 1942 season, with a victory to top their successful year.

JAMES GIBSON

Junior from Paducah. Called J. J. or Duke by his teammates. Left half squadman in '42. Member of the Marines. Good blocker and should be a "hoss" in '43 if the service situation sees fit. J. J. was a freshman in 1939 but left Frogland for two years. Duke is a fleet back and well liked by his friends. Roommate of Dean Bagley and Capt. Bruce Alford.

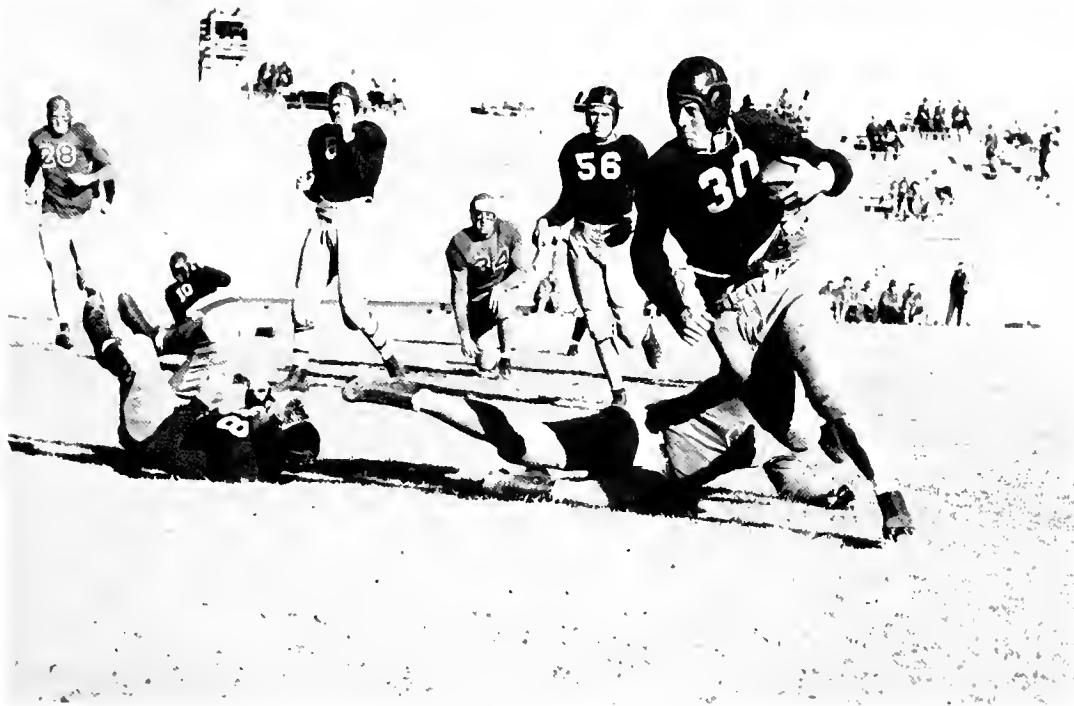

Balaban and Patton bring down Mustang back, Red Shaw. The Frogs won their last game of the season 14 to 6.

The Frogs finished fourth in the Southwest Conference but defeated Texas and Rice, the co-champions of the league. The season record was five victories and seven defeats. Three of those losses, however, came after the Purple had lost three players to the Army Air Corps. Max Humphreys, Jorma "Swede" Peltó, both starters, and Bill Conard, No. 1 substitute, were lost in late February. Defeats at the hands of Rice and Arkansas followed to knock title hopes from the Christian quintet.

The Frogs went great guns in pre-season games. Highest of their accomplishments was the championship of the Oklahoma City All-Collegiate Tournament. They downed the Arkansas Razorbacks in the finals for the trophy.

A post-season championship also came to a make-shift Frog team. Footballer Beecher Montgomery got together five varsity players and six intramural stars to win the Gold Medal city tournament downing Texas Wesleyan College in the finals.

Mid-year found two promising newcomers on the Purple basketball team. They were Bob Savage of Big Spring and Harold DeLongy of Parsons, Kan. Both were junior college transfers. A third player, Red Brothers of Fort Worth, joined the team but saw little action before the season closed.

In all, the Frog basketeers had a fine season up till they lost those three men from the already small squad.

FRONT ROW: Scott Mooring, Al Roller, Bob McHenry, Bill Conard, Whitey Cox.
 BACK ROW: Eugene Williford, Max Humphreys, W. G. "Floppy" Blackmon, Jimmie Pattee, Floyd "Zeke" Chronister, Doug Kenney, Jorma "Swede" Peltó.

BASKETBALL SEASON

Eleven victories out of 13 games and the championship of the Oklahoma City All-Collegiate Tournament was the pre-season record of the Horned Frog basketball team.

The Frogs downed West Texas State, Southwestern, Maryville Missouri Teachers and Arkansas to take the honors in Oklahoma. The first three were close ones. They defeated West Texas 45 to 42, Southwestern 29 to 28 and Maryville 40 to 38. In the finals, they held the Razorbacks to the unbelievable score of 25 points, while the Purple managed for 37.

Bob McHenry was named the most valuable man in the tournament. He and Floppy Blackmon made the first-string all-tournament team, with Max Humphreys on the second squad.

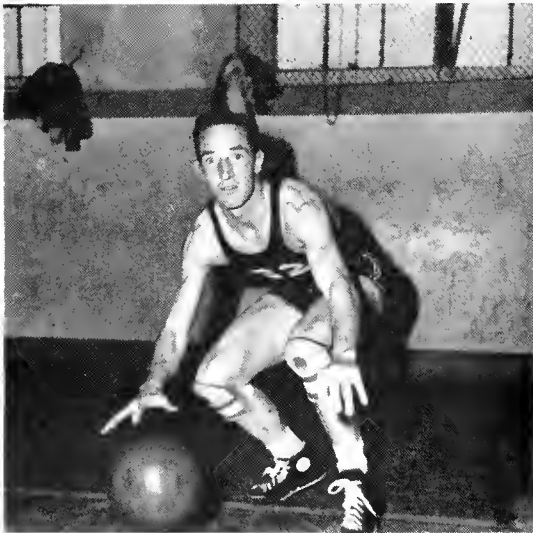

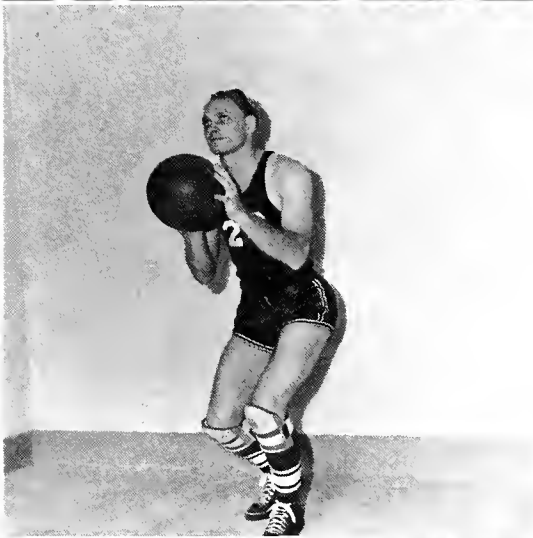

Other pre-season victories were over a mixture of college and service teams. During the 13 games, the Frogs made 523 points to their opponents 439. During conference play, the Frogs downed Grand Prairie Naval team twice in an exhibition and practice game to run the non-conference total to 13 victories, two defeats.

The Purple opened the conference season Jan. 6 on its home court against the Baylor Bears. The Frogs started off like a whirlwind and ended with a bang to account for their 35-to-31 victory in that opening thriller. It was Frankie Edwards, Bear sophomore sharpshooter, whose 15 points made a close game of it. Blackmon was high with 11 for T. C. U.

Established as the conference favorites, the Frogs were upset in noisy Aggieland by the Cadets 53 to 26 in the Christians second conference battle. It was simply a matter of the Aggies doing everything right and the rattled Frogs everything wrong.

While still on that first road trip, however, the Christians proved they were still a strong club with a 27-to-23 comeback victory two nights later in Houston at the expense of the Rice Owls—later to become co-champs of the conference.

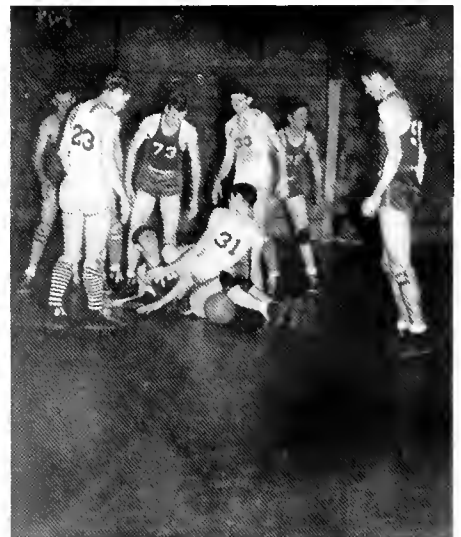

The Frogs returned home to gain victory No. 3 Jan. 16 against S. M. U. 49 to 43. Swede Pelto and Zeke Chronister were high for the Purple with 12 tallies apiece.

BASKETBALL SEASON

Another out-of-town game went on the "red" side of the ledger in Austin. The Longhorns of Texas dropped the Frogs 47 to 30. Chronister was again high for T. C. U. with eight points.

Another road game dropped the Christians to a .500 average. The Mustangs came back to even their series with the Frogs 54 to 44 in Dallas.

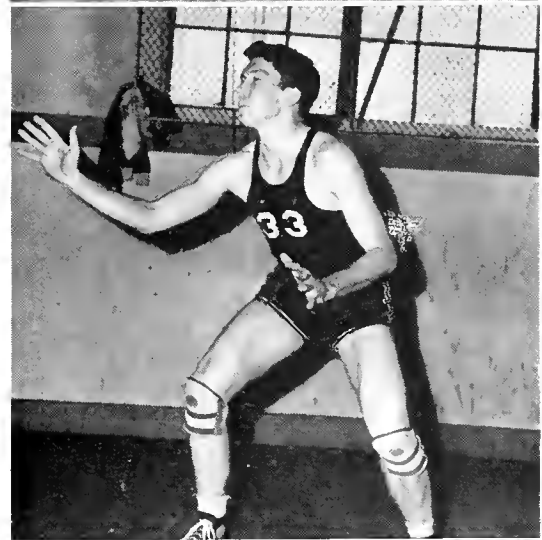

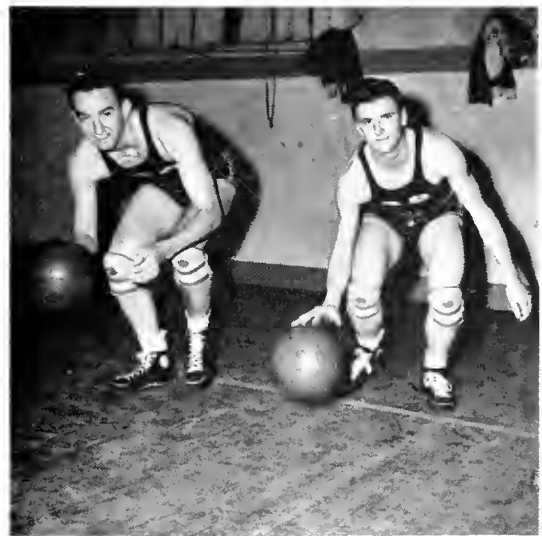

After mid-year exams, the Frogs were primed for their second meeting with A. & M. In one of the wildest, noisest and most entertaining games of the season, the Frogs gained revenge by downing the Aggies 45 to 39. It was a last minute rally with McHenry and Blackmon hot that brought about victory.

It was a "dead" Christian team that lost another out-of-town game to the lowly Baylor Bears in Waco 50 to 41. Pelto was high with 10 for T. C. U.

The high point of the Frog season came when they downed the undefeated Texas Longhorns in an overtime thriller 49 to 45 on the T. C. U. court. This was the last game for Humphreys, Pelto and Conard, who were inducted into the Army Air Corps. It was "Wild Bill" Conard, himself, who tied the game up in the last two seconds and then tallied in the overtime period to move the Frogs out in front. Pelto and McHenry's points clinched the game.

Two nights later, minus those three stars, the Frogs lost to the Rice Owls 36 to 28. Still unable to get another winning combination so late in the season, Coach Hub McQuillan's boys dropped two straight to Arkansas to close out the season. The scores were 33 to 23 and 54 to 39. Mid-year student Bob Savage showed up best for the Purple.

The official Frog team had finished its season, but a group of varsity players and intramural stars combined to win the Gold Medal city tournament in the Recreation Building. In so doing, they downed the highly touted T. W. C. quintet in the finals 42 to 38. Footballer Bob Balaban was high-point man of the tournament and named on the first all-tournament team. Blackmon and Chronister were on the second team. The four victories in this tournament closed out the season.

ORGANIZATIONS

ALPHA CHI...

The T. C. U. chapter of the Greek-letter organization, the Alpha Chi, takes the place on our campus of a Phi Beta Kappa chapter. Scholastic rating is the basis for membership in the society, for members are chosen from the upper one-eighth of the junior class and the highest one-tenth of the senior class. This brings together in one organization those students having over a 2.25 rating on the point system.

Dr. John Lord is the faculty sponsor of the T. C. U. chapter of the national organization. Mrs. Charles R. Sherer is the co-sponsor, and Prof. C. H. Richards, Jr., is a standing member of the society.

DOROTHY SINEX

SYLVIA LIDELL

Alpha Chi's first meeting of the year was a formal initiation of new members under the direction of its new president, James Moudy. Shingles were ordered by the new members from the national organization through Miss Sylvia Lidell, secretary-treasurer. Later, members held a formal spring banquet.

The T. C. U. Delta Upsilon chapter of Alpha Psi Omega is a national honorary fraternity for dramatic students. To be eligible for membership, a student must acquire fifty points earned through their efforts in the field of drama. Points are given for stage performance, directing, costuming, designing sets, make-up, as well as radio work,

ushering, or any activity concerned with dramatic production.

Each May the old members invite those who have proved their eligibility into the club, and the national initiation ceremony is performed. Also at this meeting, officers for the coming year are elected.

This year's activities included a picnic at Ernest Allen's farm, a party at the home of Mary Louise Waldron, and various other socials. A business meeting is held each semester at which time a program is outlined for that semester's work. All activities are conducted under the sponsorship of Mrs. Katherine Moore Norton, instructor in radio technique, practical speaking and play-production.

AMPERSAND

Ampersand, organized in 1932, is an honor society for senior women. The name of this organization is derived from the "and so forth" symbol which is the key to the selection of its members, chosen for their scholarship and other activities.

The society has a four-fold purpose: One, to honor those young women who not only have achieved scholarship but have also made contributions to the life of the University and shown qualities of leadership on the campus; second, to bind these young women together and to their Alma Mater; third, to have on the campus an organized group of senior women whom both students and faculty recognize as competent and dependable; and fourth,

B. C. B. ASSOCIATION

Members meet each Friday at 11 o'clock in the spiritual atmosphere of Brite Chapel in Brite College of the Bible.

An organ for the chapel was installed by members this year. Raising funds for the organ has been the primary drive of the association in past years. Donations were made by club members, faculty and ex-students.

Besides holding their two annual retreats at Camp Sunnyvale near Grand Prairie members also played host to the Ministers' Institute held on the campus and took an active part in the Religious Emphasis Week.

Sponsors of the association are Rev. Perry E. Gresham and Dr. William V. Roosa.

B. C. B., the Brite College of the Bible Association, is composed of all of the students attending T. C. U. who have declared their intention of entering full-time religious work. The organization of the association, to include both graduates and undergraduates, has not changed, though Timothy Club has been expanded to include all undergraduates, and Homiletic Guild has been limited to those working on their second degree.

BRUSHES CLUB

Beginning with an initiation tea for new members and climaxing the year with a spring weiner roast, the Brushes Club has carried on its usual round of activities.

The Brushes Club, one of the oldest organizations on the campus, was founded in 1907 while T. C. U. was located in Waco. It is sponsored by Prof. S. P. Ziegler.

Activities for the year included the Christmas party held at the home of Miss Vesta Lee Newsom. Members and guests arrived and went on a "treasure hunt" to find their gifts.

A birthday party for Miss Elizabeth Patterson was held at the home of Miss Margaret Gilbert. The St. Patrick's Day party was also held at the Gilbert home with

Since its organization in 1923 in honor of Walter E. Bryson, Bryson Club has held the title of "oldest club on the campus." The club was organized with the purpose of "encouraging students in the production of all types of literature."

In 1933 the club broadened its aims to include the co-

ordination of town and dormitory students, and in 1935 membership was extended to sophomores as well as juniors and seniors. The Bryson Club seeks to obtain further development of character, leadership and scholarship in its members, and through its activities supports a scholarship fund.

This years' social activities included a buffet dinner for new members, a Homecoming Open House, and a progressive Christmas dinner, the proceeds of which went into war bonds. Members also wrote letters to former members now in the service and sponsored a Christmas basket. In February a formal initiation was held for the new members of Bryson.

CAMPUS CLUB

The newest organization on the campus, the Campus Club, was originated in 1941. Its original purpose, brought on by the conditions existing because of the present world conflict, was to entertain service men who were interested in meeting college girls.

Besides the regular monthly business meeting, the organization planned one formal dance for each month of the school year. Eight formal affairs were given this year. The season, as pictured by each month, was the theme carried out in the decorations of the dances. All dances are invitation affairs.

The membership of the club is restricted to 70 girls.

Junior and senior men who are majors in the School of Business have been organized since 1939 into a group known as the T. C. U. Chamber of Commerce. The purpose of which is to give its members practical experience in chamber of commerce work, help students obtain part or full time positions and take charge of the School of Business social functions.

CHAMBER OF COMMERCE

A definite contribution to the social life of the campus was made when the C. of C. inaugurated the first and now annual Ranch Week. This year's festivities were the best including a Judge Roy Bean trial, melodrama, movie, contests, rodeo and picnic, all retold in print and pictures in a two-page layout in The Chicago Tribune. Miss Mary Louise Waldron was "Ranch Week Queen."

The annual "B. B. A. Banquet" was sponsored by the organization and Miss Billie Marie Latham was its "Queen."

The club is a member of the National Collegiate Chamber of Commerce and is sponsored by Clifton Oliver, Jr.

CHEMICAL AND PARABOLA

The American Chemical Society and Parabola chose to present their officers and members on the same page of the Horned Frog this year.

The chemical society's chapter was organized on our campus in 1939, and was the second student affiliate to the national society to be organized in Texas. It was founded to produce intellectual stimulation and to bring students into closer contact with the chemical world and the chemical profession. Membership qualifications are that the student must have one semester's work in the chemistry department with a grade of not less than "C." Dr. J. Laurence Whitman is the faculty sponsor of the T. C. U. chapter.

The activities of the club include a monthly business meeting; a monthly luncheon, at which a speaker is always presented; a formal tea in the fall for new members; and a formal tea in the spring for the installation of new officers.

This year the club has presented the following speakers: Miss Ruth Townsen, state president of the National B. & P. W. Membership in the club for future newspaper men and women on the T. C. U. campus is not limited to just journalism students, that is the majors and minors in their sophomore year, but freshmen interested in journalism are welcome.

The Dana Press Club was organized on the campus in 1928 for the express purpose of bringing together those students on the campus who plan to make the Fourth Estate their life work.

The club traditionally holds two meetings a month, one of which is a business meeting and the other a social function.

During Ranch Week the club presented a melodrama, "Curse You Jack Dalton," and later took it to North Side and Carter Riverside High Schools. It was again presented at the Elks Club for Navy Mothers.

"If the Shoe Pinches," a play in one act, was presented at the Woman's Club and Paschal High School. A series of one-act plays were given under student direction, and "Belinda" was the three-act play presented this year.

Guest speakers were presented at the business meetings of the organization.

The Dramatics Club was organized on the T. C. U. campus in 1910 for the purpose of giving those students interested in dramatic work experience on the stage and in directing plays.

FROGETTES

Members of the Frogettes, an organization of freshman women living in Foster Hall, were initiated during a candle-light ceremony sponsored by the organization of sophomore women in the dormitory, the Leti, in November.

The purpose of the organization is to bring about a closer relationship among the new girls in the hall and is sponsored by Miss Lorraine Sherley.

Members of the club were hostesses at a coffee for Homecoming serving more than 200 persons. For the pep rally preceding the Texas game, the club sponsored "Steve the Steer," a stuffed effigy which was burned on a bonfire.

A scavenger hunt, followed by a dance in the Mexican Lounge of the new dormitory, was held in January. In

HORNED FROG BAND

Under the direction of its new leader, "Colonel" N. J. Whitehurst, the T. C. U. Horned Frog Band continued its annual activities of playing for football games, basketball games and benefit concerts.

The purpose of the band is to further the appreciation of classical music along concert band lines.

The organization managed trips to College Station for the A. & M.-T. C. U. game, to Houston for the Rice game and to Dallas to the game with S. M. U. Concerts were played in Assembly and at the Blackstone and Texas for the Community Chest drive.

At two of the club's regular meetings this school year a boy and a girl of French origin who had recently come from France were presented as guest speakers to members of the club.

Miss Bitu May Hall, French instructor in the University and sponsor of the club, assists a committee of club members in planning each program for meetings of the organization.

The club members stress in their purpose the practical use of the French language. At meetings this is done with French plays, games, songs and conversations in that language.

LETI

The Leti Club, sister organization of the Frogettes, is composed of all sophomore girls living in the new dormitory, Foster Hall.

Its purpose, which is similar to that of the freshman girl organization, is to foster better and closer relationship among girls living in the dormitory and more specifically to try to make the new girls feel more "at home."

In November the Leti members sponsored a candle-light initiation and social for the Frogettes in the large parlor of Foster. In April club members, together with members of the Frogettes, acted as hostesses at a formal dance in the Basketball Gymnasium for officers from fields surrounding Fort Worth. The annual luncheon for members and their guests was held in May at the Den.

Miss Eula Lee Carter is the faculty sponsor.

Los Hidalgos encourages the speaking of good Spanish and is a club for Spanish students. The club, which was organized in 1929 on the T. C. U. campus, has for its primary purpose the stimulating of interest in Spanish-speaking countries. The club meetings are conducted in English,

The Mavericks Club enables all those girls attending T. C. U. who are staying outside the dormitory and whose homes are not in Fort Worth to be brought together in an organization similar to the girls' organizations in the dormitory.

Mrs. Artemisia Bryson, the sponsor of the group, organized the club in the fall of 1929 for the special purpose of enabling students coming into the city to make friends quickly soon after their arrival.

On New Year's Day, Mrs. Bryson gave a tea at her home for both members of the Mavericks and the Dames. The latter is an organization of married women who are

MELIORIST CLUB

Members meet every Sunday evening in the assembly room of the University Christian Church for a lecture, dramatic reading, discussion, a musical program, or whatever entertaining program has been arranged. This phase of the meeting is always followed by refreshments and a period of fellowship, which is closed by the "Friendship Circle." These meetings are invaluable to both town and dormitory students as a means of getting acquainted with other T. C. U. students interested in this sort of wholesome fun.

The Meliorist Club, in its ninth year of organization, aims at the improvement of all aspects of life and at the realization of values. "Meliorist" is derived from a Latin word meaning "better."

The club is included in the student congregation connected with the University Christian Church and acts as a social sponsor for it.

MIXED CHORUS

The presentation of a Mozart festival with the T. C. U. Symphony Orchestra before the Christmas holidays and the production of "Patience," a comic opera, this spring highlighted this year's activities for the Mixed Chorus.

Two home concerts were also presented this spring: one in March and the latter in May. The chorus also made "tours" on several occasions to furnish entertainment for men in the armed services at the nearby army camps.

The purpose of the organization is to "furnish music to please everybody." Prof. W. J. Marsh, known as "Uncle Billy," is the sponsor and director of the group.

The regular monthly meetings of the organization included a talk on volcanic activity in Hawaii which was delivered by Col. J. Huntington Hill, a guest speaker, and a lecture by Prof. W. M. Winton on life in the Southwest. Both of these lectures were further illustrated by moving pictures.

The T. C. U. chapter of the Natural Science Society includes in its membership all those students who are majoring or minoring in the sciences, biology or geology, taking pre-medical work or laboratory technology. The purpose of the society, which was organized on the T. C. U. campus

PHI SIGMA IOTA

Phi Sigma Iota is a national honorary romance language fraternity. The five romance languages include French, Spanish, Italian, Portuguese and Rumanian, of which the first two are represented in Delta Delta chapter.

Delta Delta chapter has this year taken in 19 junior associate members, in addition to the regular 10 members of the national fraternity. Because the national organization allowed T. C. U. only 10 members, and there are more students in the French and Spanish departments who had something to contribute to the meetings, those who met Phi Sigma Iota requirements and had the highest grades in all subjects were asked to become junior members. In this way, they will become familiar with ideals

SYMPHONY ORCHESTRA

The University Symphony Orchestra during its 1942-43 season has contributed much to the cultural development of our community.

This contribution was manifested in three major concerts during this season. The Mozart festival was presented jointly with the Mixed Chorus in December and in March the annual spring concert was given, featuring Miss Patty Ann Patterson and Miss Gloria Shienberg as soloists. The concerto concert in May presented as its soloists Preston Stedman, violinist, and Miss Pauline Snyder and John "Knocky" Parker, pianists. On this concert a Don Gillis

symphonic composition, "Lest We Forget," was played. This was the initial performance of any Gillis symphonic composition in Fort Worth. Mr. Gillis conducted.

The orchestra also gave an Assembly program in March and assisted in a Music Study Club program in April. Members of this musical group assisted the Mixed Chorus in the production of the Gilbert and Sullivan comic opera, "Patience," given in May.

This orchestra was rated as one of the best such organizations in the Southwest.

An organ of, by, and for students is The Skiff.

The Skiff was founded in 1902. Publishing it is laboratory experience for students in the department of journalism, as well as a means of presenting and editorializing upon all phases of campus life. Prof. J. Willard Ridings is the faculty director.

This year's staff had a three-fold purpose: To edit a paper that would be a pleasure to the student body, a credit to the Administration and a preservative of the democratic spirit on the T. C. U. campus.

The paper conducted its annual "Most Representative Student" contest. It maintained and enlarged upon a feature begun last year, "In the Service." A new feature was "The Skiff Salutes" column, wherein outstanding students and faculty members were recognized.

Noteworthy of its news functions was the promotion of the "Frog War Fund" and the "War Bond Queen" contest in which almost \$9,000 worth of war savings stamps and bonds were sold.

TIMOTHY CLUB

The Timothy Club is made up of the "preacher boys" who are undergraduates on the campus. Their purpose is the betterment of pulpit speech and manners and more practice toward their future achievements in the ministerial profession.

Each member must give practice sermons before the entire group. The members in turn must fill out a paper of criticism, both good and bad, on the sermon as given by the student.

The activities of the club include the regular meetings at 4 o'clock every Monday afternoon, guest speakers and a retreat in the fall and spring of each year.

Several outstanding functions highlight the year's activities, among which are picnics and hikes, open house, week-end trips to Lake Worth and general get-togethers.

In May of each year a formal dinner is held for the members and their guests at which time the awards are given for merits in membership and co-operation.

Mrs. Helen Murphy is sponsor of the club and leader of the off-the-campus activities that the club has.

Girls on the campus who have a yen for sports make up the membership of the Women's Sports Association which is organized to furnish recreation and interesting activities for leisure hours. THE Evening College, an administrative unit of the University, now seven years old, has maintained its offering this year even though operating under war time conditions.

The faculty of the Evening College and the students have been determined to continue the regular program of the Evening College and we are this year graduating several who have done the major part of their work in the Evening College. In the National Association of Evening Colleges the Evening College maintained the lowest percentage of drops and decrease in enrollment in the Association. The social life of the Evening College has been curtailed this year but it has been necessary as a part of sacrifices that must be made in these war times.

Dr. A. L. Boeck, former Director of the Evening College and under whose guidance the Evening College achieved the position that it has occupied is now with the O. P. A. Mr. Clifton Oliver served as Acting Director of the Evening College for the year 1942-43.

ELECTRIC POWER

Is Essential to Victory!

TODAY you and every other American have one thought uppermost in mind—Winning of the War! War today is a war of machines, a war requiring mass production. However well trained and courageous our fighting forces may be, they will be powerless unless supported by engines of war which must be produced in unprecedented numbers by our factories. Vital to this high speed industrial production is ELECTRIC POWER—more power—to move the wheels of industry faster—EVER FASTER! But, electric power, in itself, is not enough. It must be available wherever it is needed. The interconnected power grid, of which this company's transmission system is an important part, has made this possible. We are dedicating our all to this cause.

The WORLD at your feet

YOU who graduate today are our citizens and leaders of tomorrow. The tumultuous world into which you now step challenges each of us to make it a better place in which to live—a place where freedom and justice shall prevail. Let the knowledge and *principles of right* learned in school aid you in building a solid foundation for good citizenship *as we want it in America*. Let those qualities of character so essential to self-support and self-respect—integrity, good judgment and thriftiness—help you in conquering the world at your feet.

One Aim, One Purpose:...

Throughout the years the business interests of Fort Worth have been vitally interested in and closely associated with Texas Christian University.

Today the business interests and the University have a common interest—that of winning the war.

While the city's war factories hum out an answer to the Axis challenge, TCU plays its part by sending its young men to the battle fields and training other students for a more useful place in the nation at war.

Fort Worth is justly proud of TCU, a worthy institution in war as in peace.
